### **ABSTRACT**

*Sometimes we need to present our speech/ address to our addressee with an intense emphasis. Specially, in mutual dealing it becomes very necessary. Such as in market business, emphasis is regarded very essential for confidence and satisfaction. This very civilizational need of man has become a conducive for different methods and certain words to have been used for this purpose (emphasis) in which taking an oath has a basic importance in this perspective. Whereas in dealings an oath is dependent upon a common approach in society about the matter. In this paper the very aspect of oath has been introduced.*

**Key words:** *Oath, sale and buy, effects,forswearer*
